

COVID-SAFE EVENTS

The Australian Gift & Homewares Association (AGHA) put the health and safety of employees, members and visitors first. To safely operate our exhibitions and allow you to do business face-to-face again, the following Covid-Safe Practices will be in place for all AGHA events.

RISK ASSESSMENT & COVID-SAFE EVENT PLAN

Both the venue and AGHA will complete comprehensive risk assessments and develop approved Covid-Safe plans to ensure your safety.

SOCIAL DISTANCING

All visitors are encouraged to maintain social distancing standards and refrain from handshaking, hugging and kissing at the event.

REGISTRATION, ENTRY & CHECK-IN

All visitors must register with a unique email address and mobile number for contact tracing purposes. No-contact registration is available with a unique QR code emailed to visitors prior to the event for fast-track entry. Check-in may also be required on entry via the Service NSW/VIC apps, subject to current health orders.

CROWD SAFETY & OCCUPANCY STANDARDS

Attendance will be limited based on the square metre occupancy rule at the time of the event subject to current Government restrictions. Crowds will also be managed through physical distancing, wider aisleways, access controls and one-way traffic flow where possible.

HAND SANITISER & FACE MASKS

Hand sanitiser will be available at key locations within the event. Everyone is encouraged to practice good hand hygiene regularly. Face masks will be subject to current state Government health orders.

NO CASH SALES & PERSONAL SHOPPING POLICY

To help us reduce congestion in thoroughfares and the elimination of cash and product handling we advise that personal shopping will not be permitted at any time during the show.
